**GREATER PHILADELPHIA HEALTH ACTION, INC, (GPHA)  
HAS GRAND OPENING FOR THEIR  
FRANKFORD AVENUE DENTAL CENTER,  
4510 FRANKFORD AVENUE, PHILADELPHIA, 19124**

Philadelphia, PA- On Tuesday, July 13, 2010 from 11:00am-3:00pm, Greater Philadelphia Health Action, Inc. (GPHA) is having a grand opening for the new fully renovated location of their Frankford Avenue Dental Center, 4510 Frankford Avenue, Philadelphia, PA 19124. For over 40 years, GPHA has been a staple of healthcare services in the community. The addition of dental services confirms GPHA's commitment to its' 80,000 plus patients of providing a full umbrella of total health care services. GPHA has established a great name and has raised the bar for JCAHO Accredited institutions providing primary, behavioral and dental services.

The grand opening and celebration will include participants from Greater Philadelphia Health Action staff and board of directors, State Representative Tony Payton and the community. The grand opening is free to the public and will have refreshments, give-a-ways and healthcare information.

Greater Philadelphia Health Action, Inc (GPHA) began in 1970, with one health center in South Philadelphia. Since conception, the mission is to provide quality, comprehensive primary and behavioral health care, health education, human services and child development services to families and individuals throughout the Delaware Valley regardless of their ability to pay.

What began as one health center providing health services to its community has expanded to 7 Full-Service Health Centers, 2 Behavioral Health Centers, a Child Development Academy and 4 Dental locations to better serve the community. The Dental locations are:

- **Frankford Avenue Dental Center, 4510 Frankford Avenue, 215-535-1990**
- **Hunting Park Health Center, 1999 W. Hunting Park Avenue, 215-229-1390**
- **Snyder Avenue Dental Center, 640 Snyder Avenue Dental, 215-334-4900**
- **Wilson Park Dental Center, 2520 Snyder Avenue, 215-755-6866**

"We have come full circle in providing primary healthcare, behavioral healthcare and dental services to the community" says GPHA's CEO, Ronald Heigler as he points out all of the great accomplishments made over the past 40 years. This is a team effort with our board members, staff and the community.
