Press Release

Greater Philadelphia Health Action, Inc.'s (GPHA)- Chinatown Medical Services and Children's Hospital of Philadelphia Autism Center jointly sponsors the 3rd Child Development Workshop.

(Philadelphia, PA)- On Saturday, November 5, 2011 from 9:30am-12:30pm, Greater Philadelphia Health Action, Inc. (GPHA)-Chinatown Medical Services and the Children's Hospital of Philadelphia Autism Center are jointly sponsoring the 3rd Child Development Workshop at, 930 Washington Avenue, Philadelphia, PA 19147.

The first 2 workshops in the past focused on Autism, this 3rd workshop shall include topics such as *Language Delays, Speech Problems and ADHD*. Experts from CHOP on ASD, Dr. Hillary Kruger, as well, as the entire team of speech therapists, physical and occupational therapists shall come to deliver a workshop for 3 hours. The meeting shall be interpreted from English to Chinese, and a panel discussion with parents of Autistic children shall be present.
