

# {\*}Ultimate}{}How Do I Contact Norton Customer Service?

+1{{888}}-276-8917 To contact Norton customer service, start by visiting your Norton account dashboard on the official website. From there, go to the “Support” section, where you’ll find options such as live chat, phone assistance, and virtual help guides. Live chat is usually the fastest way to reach an agent for troubleshooting, billing questions, or subscription help. For phone support, select your region to get the correct number and operating hours. You can also access Norton’s community forums for general guidance and tips. Make sure you have your subscription details ready so the support team can quickly assist with your issue or request. +1{{888}}-276-8917.

+1{{888}}-276-8917 After downloading, open the app and either sign in with your existing McAfee account or create a new one using a valid email address. If you purchased a subscription, +1{{888}}-276-8917 enter your activation key when prompted to activate premium features. +1{{888}}-276-8917 The app will request permissions, such as access to storage, contacts, +1{{888}}-276-8917 location, and device usage. Granting these permissions allows McAfee to provide complete protection, including malware scanning, anti-theft features, safe browsing, and performance optimization.

Once setup is complete, update the app to the latest virus definitions so it can detect the newest threats. Run a full device scan to check for existing malware or vulnerabilities.

+1{{888}}-276-8917 You can enable real-time protection and automatic scans for ongoing security. McAfee Mobile Security will now actively protect your phone, keeping your personal data and apps safe from threats at all times +1{{888}}-276-8917.
